Sexual Assault Bill of Rights
Statement of Rights for Victims of Sexual Violence
VICTIM STATEMENT OF RIGHTS

For all students and employees who report an incident of sexual violence – covering sexual assault, domestic violence, dating violence and stalking.

Victims are entitled to specific rights whether they pursue a formal complaint or not. Institutions must afford any student or employee who reports that they have been the victim of an incident of sexual violence, either on or off campus, with the following information and rights:

As a complainant of sexual misconduct, you have a right to:

• Privacy, including in accordance with the Family Educational Rights and Privacy Act (FERPA) (for students only), subject to the Institution’s legal obligation to investigate, remedy and address Sexual Misconduct on campus. IMMEDIATE STEPS TO TAKE
IF YOU ARE A VICTIM OF SEXUAL ASSAULT

Call the Crime Victim/Rape Crisis Hotline at 210-349-7273 (24 hours). They will ensure that a trained advocate is available to assist you at the hospital and will work directly with the hospital staff to enlist the services of a Sexual Assault Nurse Examiner (SANE). The nurse can provide pregnancy tests and preventative treatment for some sexually transmitted infections (STI) free of charge. Inform the nurse if you suspect being drugged.

Preserve Evidence. Preserve evidence of the sexual assault – do not bathe, shower, douche, eat, drink, or brush your teeth. If possible, try not to eliminate any waste. Any of these behaviors can wash away evidence. Any clothing, if not still being worn, and any bedding or fabric should be preserved and not laundered. These items may contain forensic evidence and be useful if you decide to report the crime to law enforcement. Put them in a paper bag, not plastic.

Pack a change of clothes; you may need to leave what you’re wearing at the hospital.

Call Campus Safety and a trusted friend. Safety can drive you to the hospital and your friend can be there for support.
